

Dear Supporter,

Blackbelt Benefit Group (BBG) is a non-profit organization that has been committed to disaster relief efforts in Alabama for over a decade. In 2011, we started by helping the tornado victims in Tuscaloosa, and now we are back, rallying support for Selma, which was hit by a devastating tornado on January 12th.

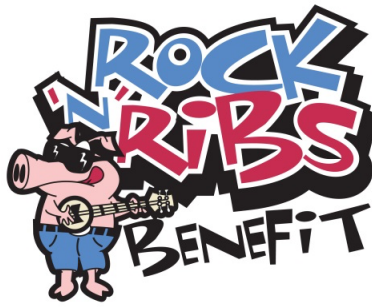

On **June 3rd, 2023**, BBG is bringing back our popular Rockin' Rib-off and Rick Carter Songwriter Festival to raise funds for rebuilding homes in Selma through our dedication to Selma's Long Term Recovery Committee. This year we are adding a second stage to include past musicians that want to help our efforts to build community through music.

In order to make this project a success we need your help. We would like you or your organization to partner with us as a sponsor and team participant. Prior to the event, your organization will receive invaluable exposure from media campaigns and promotional materials. During the event your advertising will reach all those in attendance at what have historically been very well attended events. Please review the attached sponsor benefits list and choose the package that best suits the needs of your organization. As a group dedicated to the cause of working together, you are definitely an ideal partner for us in this venture.

By choosing one of the packages listed on the following page you will be credited and honored as a Sponsor of Blackbelt Benefit Group (BBG). In return, we will promote your business or organization and include it in the event's marketing scheme.
